

A man wearing a white turban and a dark, patterned robe is shown from the side, pointing his right hand towards a large, multi-story wooden building under construction. The building's frame is made of light-colored wood. The scene is set outdoors. A large, semi-transparent black circle is overlaid on the right side of the image, containing white text. The background is slightly blurred, and there are faint, light-colored circular and linear graphic elements overlaid on the left side of the image.
